PREVENTING HOME IGNITIONS IN A WILDFIRE

9:00-11:00AM ~ SATURDAY, JUNE 17 ~ GILPIN REC CENTER

RSVPS APPRECIATED- (303) 582-9106

Defensible space does not stop with cutting down trees. Learn how to evaluate your house for ways that embers could cause ignition, and what low-cost retrofits you could implement. This is a critical class for all mountain residents, and may be helpful in maintaining fire insurance.

Extension programs are available to all without discrimination. If you have a disability for which you seek an accommodation, please notify Gilpin Extension before the event. Colorado State University Extension, U.S. Department of Agriculture and Colorado counties cooperating.
