

TEEN TECH THURSDAYS

Teen Tech Thursdays with the Gilpin Library and Gilpin Extension

What: Robotics/Tech Afterschool program (FREE!)

When: Every second and fourth Thursdays at the Gilpin Library (15131 Highway 119, across from the Transfer station).

Who: Middleschool and up

What: Hang out, socialize, create and program Legos robots (and later, digital photography and more).

How: Take the bus to the library from the Nederland school or take the Gilpin bus to the Rec Center and drive over with 4-H Program Associate Kirsten Springer – or come directly to the library. Nederland students dropped off earlier can participate in gaming or have hangout/homework time until the program starts at 4:30.

Pre-registration strongly encouraged – sign up at library or the Extension office in person, call 303-582-9106 or go online and fill out this document:
